Dear Sir:

Replying to your letter of June 20th and with reference to your visit to our Society yesterday, I beg to say that I would be glad to see you on Thursday afternoon next if convenient to you, at which time it is possible that our President, Mr. Newell, may be here. If by that time you have the list describing your collection, it would be very much more satisfactory an interview. However, in any case we should be pleased to see you in order that we may get some idea of the extent of your collection.

Very truly yours,

Curator
